Key Data

Established in 1979 and read by retailers, manufacturers, distributors and agents.

Official media partner of BETA International - world's leading trade exhibition for equestrian, country clothing, outdoor and pet products.

The January issue features the only official in-depth BETA International preview with floor plan.

AMTRA-accredited SQP CPD worming features in March and September issues, and SQP CPD nutrition features in April and November.

ETN has a weekly e-newsletter with a higher than average opening rate and new readers signing up daily.

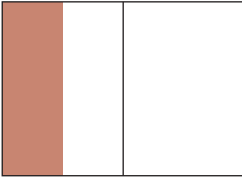

Promotional material can be included as inserts and sent out to retailers or our full database.

Supplied free to approximately 2,550 UK equestrian and related retailers, with subscribers in 47 countries.

Published by Equestrian Management Consultants (EMC), part of the British Equestrian Trade Association (BETA) Group and organiser of BETA International.

ETN now has a digital magazine option enabling overseas trade readers to benefit from competitive subscription costs.
